DO THE HARDER THING

Do the Harder Thing is an apostolate dedicated to assisting every one of God's sons and daughters in their daily spiritual battle, remembering that: "Our wrestling is not against flesh and blood; but against principalities and power, against the rules of the world of this darkness, against the spirits of wickedness in the high places." - Ephesians 6:12. Do the Harder Thing's mission is to re-establish authentic Catholic cultures by building a community of virtuous men and women.

The Avila Foundation is dedicated to the dissemination of the renewal of prayer and spiritual patrimony of the Church, the sharing of authentic and timeless Catholic Spirituality, and solid priestly formation as the true answers to the crises in the Church and in the world. Our apostolates are committed to renewing the life of prayer in the Church and to generously providing authentic and faithful spiritual formation resources to the Mystical Body of Christ.

The Avila Army is our battalion of friends, followers and prayer warriors actively deployed in the war for souls through the monthly support of the mission of the Avila Foundation.
